

Cullompton Town Team

To: Cullompton Neighbourhood Planning Group

The Town Team resolved to pass on to the Neighbourhood Planning Group (NPG) some details about specific sites to be included:-

- a) For improvement of existing interesting buildings:- The Manor House hotel; the Post Office Sorting office; Claremont, where work is about to begin; Lavington House; the former photographic shop; Moonlight Pizzas
- b) for development of the various openings off the main street to increase interest in the town centre, creating small self-contained “Artisan market” units, café locations etc:- to side of former Carpet shop and HSBC; the block containing Alfie’s; New Cut and the Green including the former workhouse site, the Methodist Church site; the Masonic Hall; the British Legion properties, the water course, and open space

and
- c) as locations for permanent public works of art (specific locations to follow).

I attach the documents from the Town Team, and request that these specifics be included in the appropriate places in the Neighbourhood Plan.

Thanking you in anticipation

Martin Smith

Town Team Chairperson.
