

How We Will Monitor and Review the Plan

Introduction

13.1 There is no statutory requirement for the impact of this Neighbourhood Plan and its policies to be monitored. Cullompton Town Council recognises that it is entering a period of unprecedented growth that will necessitate the monitoring of the impact of neighbourhood plan policies on the planning application decision-making process. The Town Council will do this in part by referring to this Neighbourhood Plan when reviewing the emerging planning proposals and planning applications. The Town Council will keep a record of its response to major planning proposals and the outcome, as a way of monitoring the impact and efficacy of the Neighbourhood Plan. Based on this monitoring, a full or partial review of this Plan will be undertaken after five years.

Aims and Objectives

13.2 A full or partial review may also be triggered by changes to legislation, changes to national or district-wide planning policies or significant planning issues being raised by the local community which cannot be dealt with effectively by a combination of national, district and/or existing neighbourhood plan policies.
